Level Changer

## Advanced 6-Level Communicators

Exciting new feature!

Our popular 6-Level Communicators now have an easy level changer feature. One message square is now dedicated to changing levels. Therapist/teacher records the name of each level and the user simply pushes the level changer icon to hear and select desired level. Stores up to 48 6-second messages including the level changer recordings. Size: 12½"L x 8"W x 3"H. Requires 4 AA Batteries.
